

# LED Specialty Door Safety Light Systems

***The UNIVERSAL Solution for Dock and Door Safety***

# A Safety Investment that pays for itself!

## EFFECTIVE

The **BrinkAlert LED Safety Light Systems** prevent costly door strikes, employee injuries and equipment damage by changing colors to alert personnel to the operational state of a door. **LEDs can change color and/or flash...**the choice is yours!

## DURABLE

Our **super-tough IP68-rated** LED light strips, marine-grade wiring, and stainless steel hardware ensure long life even in the harshest conditions. Can endure temperatures from as low as -60°F up to 165°F. Our **3-year warranty** is the best in the industry!

## CUSTOMIZABLE

Our **original patented LED Controller** is the Brain of the System. It was designed & built in-house by our highly-skilled Engineering Team who stands ready to help craft a **custom-designed solution** that best suits your application's needs.

## SUPPORTED

Our **unique cutting-edge technology** makes your old or new doors safer than ever. Field programming of our patented LED Controller is quick and easy. Our **outstanding technical support staff** ensures every project a success.
